

5th June 2019

Dear Parent/Carer,

We really need your support, 8 weeks ago we joined 'Your school lottery' and we needed to reach a target of 50+ supporters to guarantee a prize of £20 every week. Currently we have not met that target and so the current weekly prize money is £9.60 instead of our planned £20 a week. However, this will continue to rise with every supporter that joins the lottery. Plus with every ticket you buy there is also a second chance to win £25,000 in the national draw.

So, if you haven't already done so then please take part in our school lottery.

to HELP US raise money.**

The banner features a network of red lines connecting several colorful lottery balls (green with '3', blue with '2', yellow with '4', red with '9', and a yellow ball with '7'). A small blue ticket icon with the word 'TICKET' is also visible.
