

## Our School Values

To provide a happy, healthy, secure and nurturing environment for all

To develop confidence and independence so that everyone can achieve their potential

To promote respect for all and to care for other people

To create a close school family, where we can all learn from, and with each other

To inspire a life-long love for learning

To support each other within our school family and wider community

Arnside National School is fully committed to every child receiving the very best education and to ensuring that all pupils reach their full potential. To achieve this, teachers aim to deliver outstanding lessons and the school rightly has high expectations of its pupils. We expect all members of the school community to behave well, work hard, achieve high standards appropriate to their learning abilities, show respect for one another and to ensure that the School is a positive and safe place to be.

For the School to achieve a positive ethos it is essential that all members of the school community work well alongside each other and develop positive working relationships (this includes all staff and other adults working in the School, pupils and parents). Having a positive ethos helps to ensure good behaviour from pupils in school. Young people learn by example and as such, having high standards of behaviour expectations from all parties involved in their education will create adults with similarly high behaviour standards.

Through the promotion of pupils' spiritual, moral, social and cultural (SMSC) development within the curriculum, we will positively promote fundamental British values. To achieve this, we will:

- enable pupils to develop their self-knowledge, self-esteem and self-confidence;
- enable pupils to distinguish right from wrong and to respect the civil and criminal law of England;
- encourage pupils to accept responsibility for their behaviour, show initiative, and to understand how they can contribute positively to the lives of those living and working in the locality of the school and to society more widely;
- enable pupils to acquire a broad general knowledge of and respect for public institutions and services in England;
- further tolerance and harmony between different cultural traditions by enabling pupils to acquire an appreciation of and respect of their own and other cultures;
- encourage respect for other people; and
- encourage respect for democracy and support for participation in the democratic processes, including respect for the basis on which the law is made and applied in England.

We recognise that consistency is crucial in maintaining high standards of behaviour alongside a culture that celebrates success and is not based solely on sanctions. To this end, the School is committed to promoting and rewarding good behaviour. We are also committed to a united approach to managing behaviour in and out of school.

The School will not tolerate bullying or intimidation of any description. A complaint of bullying will always be taken seriously.

## Aims

Our school aims to ensure that every member of the school community feels valued and respected, and that each person is treated fairly and well. We are a caring community, whose values are built on mutual trust and respect for all. Our school's Whole School Behaviour Policy and procedures is therefore designed to support the way in which all members of the school can live and work together in a supportive way. It aims to promote the overall well-being of pupils and staff and an environment in which everyone feels happy, safe and secure.

The Whole School Behaviour Policy and procedures confirms the school commitment to:

- ensure that each child can develop and achieve his/her full potential, educationally, morally {and spiritually};
- provide a safe and attractive environment where everyone feels welcome, happy and secure; free from disruption, violence, bullying and any form of harassment
- provide each young person with the motivation and confidence to learn effectively;
- promote self-esteem, self-discipline, proper regard for authority and positive relationships based on mutual respect;
- promote a culture of praise and encouragement in which all pupils can achieve;
- provide every pupil with appropriate high quality teaching through a broad and balanced curriculum which is appropriately differentiated to meet each pupil's individual needs;
- teach children to respect themselves and others and to take responsibility for their own action and behaviour;
- help teachers and other staff manage behaviour problems that can inhibit effective learning for all children, and to realise that we cannot always deal with problems by ourselves and that we have colleagues and other agencies who are willing to assist;
- help young people to understand how behaviour affects others and the world around them;
- create a partnership of support and effective communication between home, school and the wider community;
- provide young people with an informed view of life and develop a strong sense of right and wrong enabling them to become thoughtful, caring members of society;
- value each child regardless of ability, race, gender or religion;
- maintain, develop and consistently apply high standards within the school and enable teachers and other school staff to develop and use their own professional expertise.

The aim of this Policy and supporting procedures is to determine the boundaries of acceptable and unacceptable behaviour, and introduce rewards and sanctions and to determine how they will be fairly and consistently applied.

To achieve this, the school will:

- make clear its expectations of good behaviour, through assemblies, School Church, class/school council meetings and in published documents;
- reward achievements, awarding house/class points, Headteacher's Awards to encourage values led behaviours;
- treat every member of the community as individuals and respect their rights, values and beliefs;
- create a zero-tolerance environment against all instances of bullying or discrimination based on race, gender, ability or cultural differences;
- provide positive examples for modelling behaviour;
- promote good relationships and a sense of belonging to the community;
- intervene early to challenge undesirable behaviour;
- follow and apply consistently clear guidelines when responding to instances of unacceptable behaviour.

This policy is available on the school website and in paper, on request. It will be available in different fonts and forms as requested.

At our school, we regularly celebrate the success of all pupils in a variety of ways as we recognise that focussing on success and positive outcomes is essential in developing a positive culture and ethos across the school. The many ways we celebrate success are listed below and will be reviewed by pupils, parents and staff during the academic year.

- Verbal praise in class
- Written praise in marked work
- Sharing and celebrating success during lesson time – use of circle time for pupils to discuss their own behaviour related concerns
- Use of question boxes in classes – contributions may be anonymous but discussed by the whole class
- Sharing and celebrating success in assemblies

- Head teacher's award or certificate for outstanding achievement, progress, improvement, representing the school etc.

Rewards include

- Class prizes for specific projects, for example homework challenges
- DOJO messages sent to parents of EYFS children to highlight successes
- Rewards for most improved pupils in specific subjects
- End of year visits or special event e.g. picnic or party

### **3. Sanctions and Consequences**

Although this school aims to focus on positives always, there are unfortunately occasions when a minority of pupils let themselves, the school and others down through their unacceptable or inappropriate behaviour.

We want pupils to take responsibility for their behaviour and will encourage pupils to do this through restorative justice approaches which enable pupils to reflect on their behaviour and to make amends. This process does not, however, replace consequences. At our school, we know that consistency is essential for pupils to understand what is expected of them and to avoid mixed messages. It is vital that children learn early on in life that there are always consequences for poor and unacceptable behaviour which undermine the positive atmosphere of our school community.

*Level One – leading to warning or removal of privileges if behaviour continues (this may involve being sent to see a member of staff)*

- *Low level disruption in class*
- *Calling out*
- *Passing notes*
- *Misuse of practical equipment*
- *Consistently off-task*
- *Graffiti on books, equipment or furniture*
- *Littering*

*Level Two – leading to parental involvement*

- *Repeated refusal to follow instructions*
- *Repeated disruption to learning*
- *Use of inappropriate language*
- *Walking out of lesson without permission*
- *Undermining/personal/discriminatory comments directed at staff*
- *Repeated personal or discriminatory comments directed at other pupils*
- *Inappropriate behaviour outside of school which brings the school into disrepute or reflects badly on the school image and values*

*Level Three – leading to internal exclusion or fixed term exclusion*

- *Direct swearing at a member of staff*
- *Violence or intimidation directed at any member of the school community or the wider community*
- *Out of control behaviour*
- *Failure to report to a senior member of staff when sent out of lessons*
- *Bullying or intimidation directed at any member of the school community regardless of whether this takes place during or out of school hours*
- *Taking, or appearing to be under the influence of any prohibited substance (tobacco, alcohol, drugs) on school premises*

#### **3.1 Restorative Justice/Reflection on Actions**

Restorative justice is a process which restores relationships where there have been problems. It is an opportunity for both sides to explain what happened and to try and come up with a solution. Where there has been an issue, the individuals involved will meet with a mediator who will ask them three main questions:

- What happened?
- Who else has been affected by this?
- What can be done to prevent this happening again?

The questions have been designed so that both sides have an opportunity to hear the situation from each other. It enables them to think about how this may have affected the other person but also the other pupils and their learning. By doing this and coming up with solutions it encourages both parties to take responsibility for their actions and make them aware of the impact they are having on others. It is also very helpful to hear the other side of the story and appreciate why others may be upset.

Restorative justice works extremely well if there has been a repeated problem for a pupil and member of staff. This is because it gives them an opportunity to air their differences, appreciate how the other feels, and move on in a positive light, always with the aim to solve the problem, move on and prevent the same situation arising again.

Restorative justice also works very well when pupils fall out with each other, allowing them to see the impact of their actions, apologise if necessary and put it behind them.

Meetings are always held in a neutral place with a mediator who is not involved. The mediator's job is to keep everyone calm and civil and help those involved to move forward to restore the relationship.

Reflection on actions is normally used to allow the individual to reflect on their behaviour and to allow the pupil to decide for themselves why their behaviour was inappropriate and how it might have affected others in the school. Pupils are generally asked to write down their reasons for the behaviour and how that behaviour could be improved or what alternatives to the inappropriate behaviour might have been possible if the same circumstances arise again.

## 3.2 Sanctions and Disciplinary Action

There is a clearly defined process for issuing sanctions in this school. Where possible pupils are issued with a warning to enable them to rectify their behaviour though there are times when the nature of the behaviour does not warrant a warning as it is so serious. The school uses a wide range of consequences for poor behaviour which are outlined in more detail below.

### Pupil Behaviour Logs

Where the pupil does not respond to warnings, they are issued with a Behaviour Log, held by the class teacher or the head. When the pupil receives high numbers of these, they trigger parent involvement.

### Screening, Searching and Confiscation

The school follows Government advice when confiscating items from pupils which is outlined in their document "Screening, Searching and Confiscation – Advice for Head teachers, Staff and Governing Bodies – February 2014 (A copy of this document is available from the school on request or to download from the Gov.uk Website).

The following items are what are termed 'Prohibited Items' and their presence on school premises or if found on an individual pupil will lead to the highest sanctions and consequences:

- Knives
- Firearms/weapons
- Illegal drugs

- Alcohol
- Fireworks
- Tobacco and cigarette papers
- Pornographic or unsuitable images
- Stolen items
- Any article that the member of staff (or other authorised person) reasonably suspects has been, or is likely to be, used:
  - i) to commit an offence,
  - ii) to cause personal injury to, or damage to the property of, any person (including the pupil)

Head teachers and authorised staff can also search (with the permission of the pupil) for any item banned by the school rules which has been identified in the rules as an item which may be searched for.

The following are items which are banned by the school under the school rules:

Examples:

- Mobile phones used in class
- Digital media devices or similar used in class
- Lighters or matches

The school will confiscate any electronic items being used inappropriately on the premises such as mobile phones, digital media devices etc.

Staff in this school have the right to confiscate, search and ultimately delete any media which they “reasonably suspect” is being used to bully or otherwise cause an individual harm. Depending on the seriousness of the media, information may also be reported to the Police.

Pupils found with tobacco and/or cigarette papers will have these confiscated and destroyed whether they are found to be smoking or not. They will also be issued with a sanction for bringing tobacco on to school premises. Pupils will also receive sanctions for smoking near the school and on their way to and from school.

Staff have the power to search pupils with their consent for any item banned under the school rules. This includes searching and bags.

Where items are ‘prohibited’ as outlined above, these will not be returned to pupils and will be disposed of by the school according to the DfE advice and statutory guidance ‘Screening, Searching and Confiscation – Advice for Head teachers, staff and Governing Bodies’. Pupils must not bring any of the items listed above on to school premises. The school will automatically confiscate any of the ‘prohibited’ items and staff have the power to search pupils **without** their consent for such items. There will be severe penalties for pupils found to have ‘prohibited’ items in school. In certain circumstances this may lead to permanent exclusion.

## Removal from Class

Where a pupil fails to respond to repeated warnings and reminders to improve an aspect of behaviour which disrupts the learning of others, they can be removed from class and sent to Senior Leadership or Head teacher. In such circumstances, the pupil will automatically receive a detention/miss playtime. Pupils may also be removed from class for more serious misconduct without the use of warnings.

## Detention

Staff may issue their own break and lunchtime detentions to resolve inappropriate behaviour from pupils. During detentions pupils are set relevant academic work or given the opportunity to reflect on an aspect of their behaviour.

## Other examples of sanctions

- Verbal warning
- Moved seat or place – to sit by an adult / or to work on your own.
- Missed playtime
- Time out in another class – completing work in another class – this will be in parallel class or class above or below.
- Time out with senior staff - In KS1 this will be with Head or Deputy. In KS2 this will be with Head teacher or another member of the SLT. This will usually be for the remainder of the morning, lunchtime or afternoon session.

## Fixed Term Exclusion

We will endeavour to avoid exclusion from school at all costs. A decision to exclude a pupil for a fixed period is taken only in response to very serious breaches of the school's Whole School Behaviour Policy and procedures, including persistent disruptive behaviour, where these are not serious enough to warrant permanent exclusion and lesser sanctions such as detention are considered inappropriate. Reference will be made to DfE guidance Exclusion from maintained schools, Academies and pupil referral units in England – June 2012 (updated February 2015).

## Permanent Exclusion

A decision to exclude a pupil **permanently** will be taken only:

- a) in response to serious breaches of the school's Whole School Behaviour Policy and procedures; and
- b) if allowing the pupil to remain in school would seriously harm the education or welfare of the pupil or others in the school

A decision to exclude a pupil **permanently** is a serious one and will only be taken where the basic facts have been clearly established on the balance of probabilities and considering all the circumstances, the evidence available and the need to balance the interests of the pupil against those of the whole school community. It will usually be the final step in a process for dealing with disciplinary offences following a wide range of other strategies which have been tried without success. It is an acknowledgement by the school that it has exhausted all available strategies for dealing with the pupil and will normally be used as a last resort.

There will, however, be exceptional circumstances where, in the Head teacher's judgement, it is appropriate to permanently exclude a pupil for a first or 'one-off' offence.

## Exclusions - The Right of Appeal and Legal Duties

Depending on the type of exclusion, in most cases, parents have the right to make representations to the governing body. In all cases of permanent exclusion, parents have the additional right to appeal to an independent appeal panel.

The school has a duty to provide suitable full-time education for the excluded pupil from the sixth school day of any fixed period of exclusion of more than five consecutive school days. Local Authorities are under a duty to provide suitable full-time education from the sixth school day of a permanent exclusion.

## Home School Agreements

There is no statutory requirement to have, or to ask parents to sign, a Home School Agreement that outlines the responsibilities of the parent and the school; including those around behaviour and attendance.

On balance, and to continue to foster parental relationships, we have decided to continue with the home-school agreement which should be signed and returned to the school.

## 4. Attendance and Punctuality

The school is required by law to keep a record of pupil attendance. In an emergency, such as a fire, it is essential that we have an accurate record of who is in school. Good attendance and punctuality are essential for good learning. They are also essential skills for later life.

If pupils are late or do not attend:

- Parent should telephone the school in the morning on the first day of their child's absence.
- Any absence needs to be explained, on return to school, by a letter or phone call from parent.
- Parent should contact the school again if an absence is more than three days. If they do not do so, the school will make attempts to contact them. In some circumstances this may also involve a home visit.

We strongly discourage parents from taking their children out of school for holidays or family outings during the school term. The Head teacher is no longer able to grant any leave of absence during term time unless there are 'exceptional' circumstances. Absences taken without the authorisation of the Head teacher will be recorded as 'unauthorised'.

## 5. Pupil Conduct and Misbehaviour Outside the School Premises

### 5.1 What the Law Allows

Teachers have a statutory power to discipline pupils for misbehaving outside of the school premises. Section 89(5) of the Education and Inspections Act 2006 gives Head teachers a specific statutory power to regulate pupils' behaviour in these circumstances "to such extent as is reasonable."

Subject to the school's Behaviour Policy and procedures, the teacher may discipline a pupil for:

- any misbehaviour when the child is:
  - taking part in any school-organised or school-related activity; or
  - travelling to or from school; or
  - wearing the school uniform; or
  - in some other way, identifiable as a pupil at the school.
- or misbehaviour at any time, whether the conditions above apply, that:
  - could have repercussions for the orderly running of the school; or
  - poses a threat to another pupil or member of the public; or
  - could adversely affect the reputation of the school.

### 5.2 Out of School Behaviour

This school is committed to ensuring our pupils act as positive ambassadors for us. Taking the above into account, we expect the following:

- good order on all transport to and from school, educational visits or other placements such as work experience or college courses.
- good behaviour on the way to and from school.
- positive behaviour which does not threaten the health, safety or welfare of our pupils, staff, volunteers or members of the public.
- reassurance to members of the public about school care and control over pupils to protect the reputation of the school.
- protection for individual staff and pupils from harmful conduct by pupils of the school when not on the school site.

The same behaviour expectations for pupils on the school premises apply to off-site behaviour.

### 5.3 Sanctions and Disciplinary Action – Off-site Behaviour

Sanctions may be given for poor behaviour off the school premises which undermines any of the above expectations and regardless of whether it is an activity supervised directly by school staff. Sanctions may be in the form of detention, fixed term exclusion or in very serious cases, permanent exclusion. In issuing sanctions, the following will be considered:

- The severity of the misbehaviour.
- The extent to which the reputation of the school has been affected.
- Whether pupils were directly identifiable as being members of the school.
- The extent to which the behaviour in question could have repercussions for the orderly running of the school and/or might pose a threat to another pupil or member of staff (e.g. bullying another pupil or insulting a member of staff).
- Whether the misbehaviour was whilst the pupil was on work experience, taking part in a course as part of a school programme, participating in a sports event (and in any situation where the pupil is acting as an ambassador for the school) which might affect the chances or opportunities being offered to other pupils in the future.

### 5.4 Pupil Support

We aim to support all our pupils to ensure that every child succeeds during their time at the School. Where it becomes clear that a child is having on-going difficulties in managing their behaviour, there are a wide range of strategies which are used to support pupils.

- Monitoring report cards with targets to promote success in lessons
- Increased communication between home and school
- Individual support plans
- Support from the Inclusion Support Team which consists of the SENCo (Special Educational Needs Co-ordinator), teaching staff and teaching assistants
- Small group work or 1:1 support in self-esteem, emotional literacy, anger management, Mindfulness, YOGA, 'Unpack your Week' sessions
- Additional literacy or numeracy support where this is identified as a barrier to learning and impacts on the child's behaviour
- Alternative curriculum provision
- Referral to outside agencies such as Educational Psychologist, Mental Health Worker, Behaviour Specialists etc.

## 6. The Use of Reasonable Force

To maintain the safety and welfare of our pupils, it may sometimes be necessary to use reasonable force on a pupil, as permitted by law.

The Governing Body have taken account of advice provided by the DfE - *Use of reasonable force*:

*advice for head teachers, staff and governing bodies* and the school's public sector equality duty set out in section 149 of the Equality Act 2010.

Force is generally used for two different purposes, either to control pupils or to restrain them. Control can mean either passive contact (standing between two pupils or blocking a pupil's path) or active physical contact (leading a pupil by the hand or arm, ushering a pupil away by placing a hand in the centre of the back).

All members of school staff have a legal power to use reasonable force. This power also applies to people whom the Head teacher has temporarily put in charge of pupils such as unpaid volunteers or parents accompanying pupils on a school organised visit.

Any use of force by staff will be reasonable, lawful and proportionate to the circumstances of the incident and the seriousness of the behaviour (or the consequences it is intended to prevent). Reasonable force will be used only when immediately necessary and for the minimum time necessary to achieve the desired result and to prevent a pupil from doing or continuing to do any of the following:

- committing a criminal offence
- injuring themselves or others
- causing damage to property, including their own
- engaging in any behaviour prejudicial to good order and discipline at the school or among any of its pupils, whether that behaviour occurs in a classroom or elsewhere.

Force will **never** be used as a punishment.

Whether it is reasonable to use force and to what degree, also depends on the age and understanding of the pupil and whether they have Special Educational Needs or disabilities. Medical advice will always be sought about the safest way to hold pupils with specific health needs, special educational needs and disabilities.

## 6.1 Action as a result of Self-defence or in an Emergency

All staff including teaching assistants, lunchtime supervisors, admin staff and the site management have the right to defend themselves from attack, providing they do not use a disproportionate degree of force to do so. Similarly, in an emergency, if for example, a pupil was at immediate risk of injury or at the point of inflicting injury on someone else, any member of staff is entitled to intervene. A volunteer helping in school would not be expected to work with a child who is known to need physical restraint as indicated in their Behaviour Management Plan.

## 6.2 Circumstances in which reasonable force might be used

Circumstances in which reasonable force might be used include the following:

- Pupils found fighting will be physically separated.
- Pupils who refuse to leave a room when instructed to do so may be physically removed.
- Pupils who behave in a way which disrupts a school event or a school trip or visit may be physically removed from the situation.

- Restraint may be used to prevent a pupil leaving a classroom where allowing him or her to do so would risk their safety or lead to disruptive behaviour. This may also include leading a pupil by the arm out of a classroom.
- Pupils at risk of harming themselves or others through physical outbursts will be physically restrained.
- To prevent a pupil from attacking a member of staff or another pupil.
- To prevent a pupil causing injury or damage by accident, by rough play, or by misuse of dangerous materials or an object.
- To prevent a child from running away from school.

## 6.3 Power to Use Reasonable Force when Searching Without Consent

In addition to the general power to use reasonable force, the Head teacher and authorised staff can use such force as is reasonable given the circumstances to conduct a search for 'prohibited items'. See Section 3.2 above.

## 6.4 Unreasonable Force

The type of force which will never be acceptable in our school includes:

- holding around the neck or any other hold that might restrict breathing;
- kicking, slapping or punching;
- forcing limbs against joints (e.g. arm locks);
- tripping or holding by the hair or ear;
- holding face down on the ground.

## 6.5 Staff training

Staff will receive training about the use of reasonable force appropriate to their role to enable them to carry out their responsibilities. This will include training on any restraint techniques which must not be used because they are known to present an unacceptable risk when used on children and young people. Some staff will receive additional training on the appropriate techniques which may be used to physically restrain pupils. The training will be to an approved nationally acceptable level and will be regularly refreshed (Team Teach).

## 6.6 Behaviour Management Plans

A pupil with a known challenging behaviour, a medical condition which affects behaviour patterns or who has special educational needs may be the subject of a Behaviour Management Plan. This Plan sets out specific ways in which the behaviour is controlled whilst on school premises and during any off-site visit. It may also include details on managing the pupil's behaviour whilst travelling to school on organised home-school transport.

In such circumstances, parents will always be made aware of their child's Behaviour Management Plan and will be asked to contribute to the content and control measures implemented in an attempt to apply consistency of sanctions and rewards both in school and at home. Wherever possible and appropriate, the child concerned will also be involved in creating the Behaviour Management Plan.

## 6.7 Informing Parents when Reasonable Force has been used

In accordance with current good practice, the school will speak to parents about serious incidents involving the use of force and will record such serious incidents.

In making a decision about informing parents, the following will be considered:

- the pupil's behaviour and level of risk presented at the time of the incident;
- the degree of force used;
- the effect on the pupil or member of staff concerned; and
- the child's age.

All incidents when 'physical restraint' as opposed to 'physical control' is used will be recorded as soon as possible and details passed on to the Head teacher (or deputy in the absence of the Head teacher) who will follow up the incident where necessary. The following must be recorded:

- all incidents where unreasonable use of force is used;
- any incident where substantial force has been used e.g. physically pushing a pupil out of a room;
- use of restraint;
- an incident where a pupil is distressed though clearly not overreacting.

The following criteria will be used when considering the need for recording:

- (a) Did the incident cause injury or distress to a member of staff or pupil?
- (b) Even though there was no apparent injury or distress, was the incident sufficiently serious in its own right? Any use of restrictive holds, for example, fall into this category;
- (c) Did the incident justify force? This is particularly relevant where the judgement is finely balanced;
- (d) Does recording it help to identify and analyse patterns of pupil behaviour?

If the answer to any of the questions is 'yes', a written record should be made and held in a secure central location or recorded in the bound [Record of Physical Intervention book \(blue\)](#) and all other notes taken at the time are to be kept.

In all instances of the use of physical restraint, parents will be informed the same day, by phone and in writing, and invited into the school to discuss the incident unless to do so would result in significant harm to the pupil, in which case, the incident will be reported to the Cumbria Safeguarding Hub by the Head teacher/DSL.

All injuries will be reported and recorded in accordance with school procedures.

## 6.8 Post Incident Support

Serious incidents can create upset and stress for all concerned. After the incident ends it is important to ensure any staff and pupils involved are given first aid treatment for any injuries. Emotional support may also be necessary. Where required, immediate action will be taken to access medical help for any injuries that go beyond basic first aid. The school will then decide about how and when to contact the parents of the pupil to engage them in discussing the incident and setting out subsequent actions. After the incident, the Head teacher and/or another will:

- (a) ensure the incident has been recorded;
- (b) decide whether multi-agency partners need to be engaged and, if so, which partners;
- (c) hold the pupil to account so that he or she recognises the harm caused or which might have been caused. This may involve the child having the chance to redress the relationship with staff and pupils affected by the incident. It may also mean the child is excluded. See Section 3.2 above.
- (d) help the pupil develop strategies to avoid such crisis points in the future and inform relevant staff about these strategies and their roles;
- (e) ensure that staff and pupils affected by the incident have continuing support if necessary in respect of:

- physical consequences
- emotional stress or loss of confidence
- analysis and reflection of the incident

## 6.9 Follow up

In many cases, there will be a follow-up meeting of key personnel to discuss the restraint incident and review the Behaviour Management Plan or other plans for pupils. It might also be appropriate to review the Whole School Behaviour Policy and/or supporting procedures.

## 6.10 Other Physical Contact with Pupils

This school does not operate a 'No touch Policy'. There are occasions when physical contact, other than reasonable force, with a pupil is proper and necessary.

- Holding the hand of the child at the front/back of the line when going to assembly or when walking together around the school.
- When comforting a distressed pupil.
- When a pupil is being congratulated or praised.
- To demonstrate how to use a musical instrument.
- To demonstrate exercises or techniques during PE lessons or sports coaching.
- To administer first aid.
- To apply sunscreen to the arms, face or lower legs of very young pupils or those with special educational needs who might struggle to apply it appropriately themselves

## 7. Allegations of Abuse against Staff and Other Adults Working in the School

### 7.1 General

All children and adults have a fundamental right to be protected from harm. All allegations of abuse will be taken seriously. (For more information, refer to the School Allegations procedure which is part of the Child Protection Policy and procedures).

The Governors of the School have a duty to safeguard and promote the welfare of children and create and maintain a safe learning environment (section 175 of the Education Act 2002). Our policy is to identify where there are child welfare concerns and take action to address them, in partnership with other organisations where appropriate, and in accordance with local inter-agency procedures.

School staff have a positive role to play in child protection, as their position often allows them to be able to observe outward signs of abuse and changes of behaviour in children. Because of their role however, they are also open to accusations of abuse. Such allegations may be true, but they may also be false, misplaced or malicious.

To fulfil its commitment to the welfare of children, this School has a procedure for dealing with allegations of abuse against members of staff and volunteers and other children.

The procedure aims to ensure that all allegations are dealt with fairly, consistently and quickly and in a way, that provides protection for the child, whilst supporting the person who is the subject of the allegation.

If a member of staff does not wish to report an allegation directly, or they have a general concern about malpractice within the school, reference can also be made to the school's Whistle Blowing procedures.

The procedure complies with the framework for managing cases of allegations of abuse against people who work with children, as set out in the statutory guidance 'Keeping Children Safe in Education' published by the DfE and the Cumbria SCB Core procedures.

## 7.2 Action in the Event of a Malicious Allegation

If an allegation is determined to be unfounded or malicious, the LA appointed Designated Officer (DO) will be informed via Cumbria Safeguarding Hub and will refer the matter to local authority children's social care services to determine whether the child concerned is in need of services, or may have been abused by someone else. If an allegation is shown to have been deliberately invented or malicious, the Head teacher will consider whether any disciplinary action is appropriate against the pupil who made it, or the police will be asked to consider whether any action might be appropriate against the person responsible, including situations where the individual concerned was not a pupil. Such cases may be dealt with under the Protection from Harassment Act 1997.

The disciplinary action taken against a pupil might include detention, fixed term or permanent exclusion. Whatever action is taken will be discussed with the parent of the pupil concerned at an early stage.

## 8. Bullying

### 8.1 What is Bullying?

According to the DfE document 'Preventing and Tackling Bullying – Advice for Head teachers, staff and Governing Bodies, bullying may be defined as:

"Behaviour by an individual or group, repeated over time, that intentionally hurts another individual or group either physically or emotionally".

Specific types of bullying include those relating to:

- race, religion, culture or gender;
- SEN or disabilities;
- appearance or health conditions;
- sexual orientation;
- young carers or looked after children or otherwise related to home circumstances;
- sexist or sexual bullying.

It can take place between pupils, between pupils and staff, parents and staff or between staff; by individuals or groups; face-to-face, indirectly or using a range of cyber bullying methods.

Acts of bullying can include:

- name-calling;
- taunting;
- mocking;
- making offensive comments;
- kicking;
- hitting;
- pushing;
- taking belongings;
- inappropriate text messaging, emailing or 'posting' on social media sites;

- sending offensive or degrading images by phone or via the internet e.g. via Social media sites;
- producing graffiti;
- excluding people from groups;
- spreading hurtful and untruthful rumours.

Many experts believe that bullying involves an imbalance of power between the perpetrator and the victim. This could involve perpetrators of bullying having control over the relationship which makes it difficult for those they bully to defend themselves. The imbalance of power can manifest itself in several ways. It may be physical, psychological (knowing what upsets someone), derive from an intellectual imbalance, or by having access to the support of a group, or the capacity to socially isolate. It can result in the intimidation of a person or persons through the threat of violence or by isolating them either physically or online.

Cyber bullying can be defined as the use of information and communications technology particularly mobile phones and the internet, deliberately to upset someone else. Cyber bullying that occurs while pupils are under the school's direct supervision will be dealt with in line with this Policy and procedures (Whole School Behaviour Policy and procedures).

In cases where cyber bullying occurs while pupils are outside our direct supervision (i.e. at home), parents will be encouraged to report these incidents to the police as criminal laws (such as those pertaining to harassment, threatening and menacing communications) may apply. Parents are also encouraged to report such bullying to the school. If the alleged perpetrator is a member of this school community, the school will take action in line with this Behaviour Policy and procedures. The school wherever possible will support parents in this, and may impose a sanction upon the bully where this individual is recognisable.

## 8.2 The Law

The School endeavours to comply with the legal requirements placed on schools and the Governing body to determine detailed measures (rules, rewards, sanctions and behaviour management strategies) that "encourage good behaviour and respect for others on the part of pupils and preventing all forms of bullying among pupils" Education and Inspections Act 2006, section 89. The school will exercise its legal powers (as outlined in section 89/5) and (section 91, Education and Inspections Act 2006) as deemed appropriate and practicable.

Schools are required to comply with the new equality duty 'The Equality Act 2010'. The public-sector equality duty has three aims:

- Eliminate unlawful discrimination, harassment, victimisation and any other conduct prohibited by the Act;
- Advance equality of opportunity between people who share a protected characteristic and people who do not share it; and
- Foster good relations between people who share a protected characteristic and people who do not share it.

## 8.3 Reporting and Recording Incidents of Bullying

Pupils and parents are encouraged to report bullying to any member of staff. Incidents are, in the first instance, referred to the pupil's Class teacher to be investigated, appropriate action taken and parents will be informed promptly using usual school procedures. Pupil voice is important at this school and pupils are encouraged through various means to report any incidents of bullying behaviour which they encounter personally or become aware of. This is reinforced via assemblies, Anti-Bullying Week, PSHCE and during circle time. The Whole

School Behaviour Policy and procedures also reinforces the school's expectation as to how members of the school community should conduct themselves. A log will be maintained of racist incidents and information on incidents of bullying. All reported incidents of bullying will be recorded regardless of the outcome of the investigation.

## 8.4 Tackling Bullying

The aim of any anti-bullying intervention is to safeguard and support the victim, discipline and modify the behaviour of the bully with a view to prevent, de-escalate and stop further incidents of harmful behaviour.

## 8.5 Strategies for Dealing with Bullying

- Ensuring that there is a promotion of an open and honest anti-bullying ethos in the school

## 9. Behaviour of Parents and Other Visitors to the School

The School encourages close links with parents and the community. We believe that pupils benefit when the relationship between home and school is a positive one. The vast majority of parents, and others visiting our school are keen to work with us and are supportive of the school. However, on the rare occasions when a negative attitude towards the school is expressed, this can result in aggression, threatening behaviour, written, verbal and/or physical abuse towards a member of the school community.

Violence, threatening behaviour and abuse against school staff or other members of the school community will not be tolerated. When formulating our procedures, reference was made to the DfES document 'A Legal toolkit for schools – Tackling abuse, threats and violence towards members of the school community' and DfE non-statutory guidance 'Advice on School Security: Access and barring of individuals from school premises' (December 2012). A poster indicating that such negative behaviour is not acceptable is displayed in the school reception area.

Our school expects and requires staff to behave professionally in these difficult situations, and to attempt to defuse the situation where possible, seeking the involvement as appropriate of other colleagues. However, all members of the school community (including other parents and visitors) have the right to visit and work without fear of violence and abuse, and the right in an extreme case, of appropriate self-defence.

We expect parents and other visitors to behave in a reasonable way towards other members of the school community. The following outlines the steps that will be taken where parent or visitor behaviour is unacceptable.

## 9.1 Types of behaviour that are considered serious and unacceptable

The following list outlines the types of behaviour that are considered serious and unacceptable and will not be tolerated towards any member of the school community. This is not an exhaustive list but seeks to provide illustrations of such behaviour:

- Shouting, either in person or over the telephone.
- Speaking in an aggressive/threatening tone.
- Physical intimidation e.g. standing very close to her/him.
- The use of aggressive hand gestures/exaggerated movements.
- Physical threats.
- Shaking or holding a fist towards another person.
- Swearing.
- Pushing.
- Hitting, e.g. slapping, punching or kicking.
- Spitting.
- Racist or sexist comments.
- Sending inappropriate or abusive e-mails to school staff or to the general school e-mail address
- Publishing or posting derogatory or inappropriate comments which relate to the school, its pupils or staff/volunteers on a social networking site
- Breaking the school's security procedures

Unacceptable behaviour may result in the Police being informed of the incident.

## 9.2 Procedures for Dealing with Unacceptable Behaviour

When a parent or member of the public behaves in an unacceptable way during a telephone conversation, staff at the school have the right to terminate the call. The incident will be reported by staff to the Senior Management Team. The school reserves the right to take any necessary actions to ensure that members of the school community are not subjected to verbal abuse. The school may warn the aggressor, temporarily or permanently ban them from the school site, and/or contact the police.

When any parent or visitor behaves in an unacceptable way in person towards a member of the school staff a member of the Senior Management Team will seek to resolve the situation through discussion and mediation. If necessary, the school's complaints procedure should be followed. Where all procedures have been exhausted, and aggression or intimidation continues, or where there is an extreme act of violence, the discussion will be terminated and the visitor will be asked to leave the school immediately. It is also an offence under section 547 of the *Education Act 1997* for any person (including a parent) to cause a nuisance or disturbance on school premises. The police will be called if necessary. The perpetrator may also be banned from the school premises for a period, which will be determined by the school.

Prior to a ban being imposed, the following steps will be taken:

- Depending on the severity of the incident, the individual may first be issued with a written warning stating that if a similar incident occurs, the individual concerned will be banned (temporarily or permanently) from the school premises.
- In more serious cases, the individual will be informed, in writing, that she/he is banned from the premises temporarily, subject to review, and what will happen if the ban is breached.
- Extreme incidents will result in a permanent ban being enforced immediately. The individual will be informed in writing of the permanent ban but will be given the right to appeal in writing against the decision.
- In all cases, parents will still have the opportunity to discuss any issues relating to their child with school staff.
- Incidents of verbal or physical abuse towards staff may result in the police being informed, and may result in prosecution.

If an individual is intimidating, threatening or aggressive towards a member of the school community any interaction will be terminated immediately and the person will be instructed to leave the premises. Further action may be taken by the school.

The School will take action where behaviour is unacceptable or serious and breaches this Whole School Behaviour Policy.

### 9.3 Unacceptable Use of Technology

The School takes the issue of unacceptable use of technology by any member of the school community very seriously.

We expect parents and other adults within the school community to act responsibly when using on-line technologies. The expectation of parents is set out on page 4. Failure to comply with these expectations could result in parents and/or other adults being banned either temporarily or permanently from the school site, and the incident may be reported to the police.

Acceptable use agreements exist for pupils, staff and governors of the School and form part of our Online Safety Policy and procedures.
