

Get Close to Nature on the Coldwell Horseshoe

A family morning to have a close look and listen, smell and occasionally taste, on the Arnside/Silverdale AONB Landscape Trust Coldwell Reserves

Thursday 30th May 2019 from 10.00 to 1300

A close look at what's growing and living on the hay meadows, limestone grassland and woodland that we are developing at these linked areas.

Flowers, grasses, butterflies, bugs, beetles and spiders (tiny ones)

This is a free event, suitable for all ages. **There is no need to book**, just turn up and stay as long as you like but wear outdoor clothes and shoes as you might want to get your hands (and knees) dirty or even delve into the nettles (not compulsory).

Water will be available if you bring your own reusable cup or bottle.

This event will be cancelled if it is a wet day as this sort of thing is no fun then.

How to find the Reserves: see the websites below

Car parking available on Coldwell Parrock inside the Silverdale Road field gate
(map ref. SD34794777; no postcode as no houses!)
