To the Parents of the Children of:

Arnside National School

The Great North Air Ambulance Service has formed a Fundraising Partnership with your school. The children have been asked to gather as much clothing as they can (unfortunately we are unable to accept duvets & pillows). We also collect unwanted mobile phones and ink/toner cartridges (kept separately).

This benefits the school and also the Great North Air Ambulance Service. Bags can be obtained from the school or please feel free to use a bin liner.

As this collection is carried out by us, no third parties gain from this partnership only the school and the Great North Air Ambulance Service. Please give generously. Thank you so much. Your collection date is:

Friday 3rd November – 11.00 am
