

RAFFLE PRIZES NEEDED

The preparations for upcoming Christmas Fair are well under way now, and we would like to ask you as the parents if you can help us secure some exciting raffle prizes for the Big Christmas Raffle.

Many local businesses have been donating some great prizes and we would like to ask if any Employers/company would be willing to donate a prize. On the day of the fair we will be advertising all businesses that provide a prize as well as advertising their business through a thank you post on Facebook and on a big thank you banner in the village after the event. This is an opportunity for businesses to get some free advertising in exchange for a prize donation.

If your employer or business would like to help then please get in contact with a member of the PTA via facebook or email. Thank you

If you have any questions or if you help then please get in touch with us by email Arnsidepta@hotmail.com

Kind regards

Arnside National School PTA
